Sir:

OFFICE OF PETITIONS

I, Margaret Jackson, declare and state as follows:

(1) That I am currently the head of U.S. docketing department at Pillsbury Winthrop and held this position as of February 9, 2001.

(2) That in that capacity, I reviewed the docket records at Pillsbury Winthrop and hereby attest to the fact that a Restriction Requirement dated February 9, 2001 was not received in our offices until after this application had become abandoned. This fact is supported by the attached docket records for April 9, 2001, May 9, 2001, June 9, 2001, July 9, 2001 and August 9, 2001 as well as mail records for the period in February where this Office Action, if received, would have been entered into our docket records. It is clear from these records that even as of the final due date for responding to the Restriction Requirement we had not received this Restriction Requirement.

(3) That I can further attest to the fact that when Robin L. Teskin joined the firm on November 28, 2000, that Pillsbury instituted a procedure whereby a courier would daily pick up any mail received at Shaw Pittman in connection with some 1500-2000 cases which had been transferred from Shaw Pittman to Pillsbury Winthrop when Ms. Teskin joined the firm.

(4) That I can further attest to the fact that it was my responsibility as head of the Pillsbury docket department to review the mail received from Shaw Pittman and to docket any relevant U.S. docket dates for cases which had been transferred to us. I and others on my staff diligently performed this task for six months after Ms. Teskin joined the firm. Therefore, had the Restriction Requirement papers been timely received at Pillsbury Winthrop it would have been docketed by me or someone else on my staff.

(5) I hereby declare that all statements made herein of my own knowledge are true and that statements made on information and belief are believed to be true.
